Downsizing life meets upscale living with the Belmont, a one-level plan that packs 2 bedrooms, 2.5 baths, a 2-car garage and wealth of amenities into an impressive 1,800 square feet of space. Designed for living large on a smaller scale, the perfectly proportioned layout blends the alternate kitchen design, dining, and family room (with fireplace) into an open-flow roomscape crafted for comfort and entertaining. An added on Florida room adds great extra space while a large back deck is the perfect spot for relaxing on warm sunny days. Nestled off the family room, the primary suite offers a comfy retreat with splendid dual-sink bath and walk-in closet. A front study is ideal as either home office or den, while an additional bedroom with full bath is always ready for guests.

## Features of this Home
