- 3 Bedrooms
- 3.5 Bathrooms
- 2,350 Square Feet
- 2 Car Garage
- 3 Levels

The Davenport is a 3-story luxury townhome with plenty of opportunity to personalize this new home floor plan to fit your lifestyle. On the first floor you will find your rear load 2-car garage, as well as a bedroom and full bath. Convert the bedroom to a Rec Room or Study if that suits you better. Head on up to the second floor where you will find dual primary bedrooms with walk-in closets, as well as your Laundry Room for added convenience. This floor has multiple bathroom configurations to choose from, as well as opportunities for an Owner's Suite! Make your way to the top floor and you'll see what's really unique about this plan – your Kitchen, Dining, and Family Room are all up here, as well as your covered rooftop terrace. This is the perfect space for entertaining or enjoying a relaxing evening in! You can add an elevator if you desire for even more convenience, otherwise enjoy the additional storage space.
