-  2 Levels

You'll be saying "Home sweet Helena" the moment you walk in to this 2-story plan with 3 bedrooms, 2.5 baths, and over 2,300 square feet of space. Leave your paperwork in the study and worries behind as the feeling of home flows effortlessly from family room to kitchen, and spills out to the stupendous back deck. A spacious first floor primary suite ensures steps won't get in the way of a relaxing shower or soak, or slipping into something comfy from the large walk-in closet. Upstairs, a loft area opens to two additional bedrooms, a full bath, and ample storage for all those things needing places. A variety of options, including a fireplace, expanded bathrooms, and screened porch, await to make Helena your own.
