Brand new floor plan! Introducing the Pearl Ranch: a one level plan that is anything but ordinary. Enter the home from your 2-car garage and step into your mudroom/laundry room. Just steps away is your spacious kitchen with large island, walk-in corner pantry, and plenty of cabinet space. The island overlooks both the breakfast nook and the family room, ideal for staying connected. Off the breakfast nook you'll find a patio where you can enjoy your morning coffee or wind down in the evening. The primary bedroom is tucked away at the rear of the home, boasting a walk-in closet and large primary bath with separate water closet and dual sink vanity. At the front of the home you will find an additional bedroom with full bath and walk-in closet.
