Designed for today's lifestyles and personalized to yours, the McKinney is a 2-level, 3-bedroom condo offering over 2,400 square feet of space. Consisting of the third and fourth floor of the townhouse, the McKinney offers everything you could imagine in modern urban living with walkable access to lively local markets, shops, and restaurants. Pull-in to your private, 1-car garage and step into hallway that leads you to the foyer, on the second floor where you enter the home from the front. On the third floor (first floor of your home), you'll find the primary suite complete with dual-sink bath and generous walk-in closet, as well as an additional two bedrooms, full bath, and laundry. Step up to the fourth floor (second floor of your home) and bask in the airy openness and seamless flow of kitchen, dining, and family room—leading to the covered terrace with fireplace perfect for entertaining or making any moment cozy. Pets are welcome
