Celebrate traditions while making new memories at the Acton, a 2-story plan featuring 3-bedrooms, 2.5 baths, a 2-car courtyard garage, and over 2,000 square feet of living space. From the moment you arrive everything simply falls into place with an open, effortless flow that says “aahhh.” Whether catching lunch, a show, or 40 winks on the sofa, life moves at an easy pace within the uninterrupted blend of kitchen, family room (with fireplace), and dining room. A large first floor primary suite redefines “roomy” with an equally spacious Serenity primary bath and walk-in closet. Two additional bedrooms and a full bath await upstairs, while a half bath and laundry room off the garage leave nothing to spare. There’s also a raised patio to provide a great space for outdoor living.
